

WHY DO COLORED GIRLS CRY

Why do colored girls cry
Why do colored girls
Have sleepless nights?
They always seem uptight
Mad as hell never a smile
Why do colored girls cry?

Why do colored girls fuss and fight
Could it be because their men die
Die before they bloom
Die licking their wounds?
Just dying by the wayside
Why do colored girls cry?

Why do colored girls cry
I see their faces from here to there
Never a smile always a sigh
Why do my ladies cry?
Why do they have sleepless nights
Why do colored girls cry?

Conrad Webley

I WILL ALWAYS HAVE A SMILE FOR YOU

As you know by now happiness is
As it always will be to me, YOU
And I will always have a smile for you

Needing love and you were always there
Fulfilling love you willingly share
And I will always have a smile for you

And if I find the need for solitude
Spacing my body and my mind
From you for a little while, you say

Go ahead I don't mind...
As you know by now happiness is
As it always will be to me, YOU
And I will always have a smile for you.

Conrad Webley

MY HIGH

Some folks high
Comes in
Smoke and dope
Some folks high
Comes in
Rum and coke

My high

Is a mile high
Comes in
A frame
Yea high
And yea wide
She only weighs
One hundred and five.

Conrad Webley

THE GOOD SEED

Like a seed well nurtured
You will grow tall as an oak
Lovely as a weeping willow
And in peaceful harmony
You will flow
When the hardest wind blow.

Like a seed left by the wayside
Tossing about with each passing wind
Never a soil your roots will hold
Your future will be yesterday's lies
And you will die.

Like a seed well nurtured
The bad times will make you strong
and surely you will say
I am a woman, I am a man
And you will flow
When the hardest wind blow
Like a seed well nurtured
You will grow.

Conrad Webley

TOO BUSY

Too busy
Feeling sorry for self
Makes it kind-a-hard
To get up and get ahead.

Too busy
Being inward than out
Makes yourself a target
For folks to shoot you down.

Too busy
Feeling sorry for self
Waiting for time to make sense
Makes it kind-a-easy
For someone else to get ahead.

Too busy
Sliding by
Slipping bye with time
Getting by selling high
Sometimes cause you doing time.

Too busy
Feeling sorry for self
Makes it kind-a-hard
To get up and get ahead
Too

Damn

Busy

Being

Nothing.

Conrad Webley
